What can we do for you?

activereach solutions are based on providing best of breed products and services, supported by leading manufacturers.

We are focused on delivering the right solution for your business. We understand your business drivers and are committed to supporting them. activereach works with customers to:

- ▶ Achieve cost savings and reduce IT overheads.
- ▶ Increase productivity.
- ▶ Achieve low carbon computing.
- ▶ Ensure business continuity.
- ▶ Secure company data.
- ▶ Develop flexible, scalable solutions.

Why choose activereach?

- ▶ **Bespoke solutions:** delivering the most appropriate products and services for your business, which work with your existing infrastructure.
- ▶ **Best value. Best practice:** a long-term approach that prioritises future proof solutions and low carbon computing, consolidating your infrastructure to cut costs and increase efficiencies.
- ▶ **Outstanding reputation:** supported by a wide variety of satisfied customers including LINX, Goldenberg Hehmeyer, Time Out and The Marketing Store.

“ activereach provided The Bennelong Group with an innovative solution to lower our costs for e-mail and web filtering. They have continued to be responsive when supporting our business, coming to me with other opportunities to save costs, streamline operations and improve service for our associated clients. I am delighted to have made a switch to them as a supplier. ”
